SOFTWARE DEVELOPER

Motivated Computer Science Engineering student with a strong foundation in Java, Data Structures and Algorithms, and web development. Skilled in problem-solving and developing efficient, user-friendly applications. Interested in software development, backend technologies, and database management. Quick learner with good teamwork and communication skills, seeking an opportunity to apply technical knowledge and contribute to real-world software projects.

TECHNICAL SKILLS

Language	: Java, JavaScript, HTML, Tailwind CSS,
Frameworks	: React.js, Express, Node.js
Dev Tools	: Visual Studio Code, Git, GitHub, Eclipse IDE
Libraries	: React Router
Database	: SQL, MongoDB

EXPERIENCE

Web Developer Intern

Jan 2026 – Apr 2026

Pursuit Future Technology

- Designed and developed responsive websites using HTML, CSS, JavaScript
- Integrated the Google Weather API to display real-time weather information.

Python Developer

Nov 2025 – Dec 2025

EKHAI Business Solution

- Developed an Amazon Price Tracker using Python to monitor product prices in real time.
- Utilized the Requests and Beautiful Soup libraries to retrieve and scrape product information from Amazon.
- Learn how the web scraping fetch the data from website.

EDUCATION

IFET COLLEGE OF ENGINEERING

B.E Computer Science And Engineering

Gangarampalayam, Villupuram

2024-2028

PROJECTS

Smart Waste Management System

React.js, firebase, Java Script

[source code](#)

- Developed a web-based Smart Waste Management System using React.js and Firebase

Amazon Price Tracker

Python, Requests, Beautiful Soup, SMTP

[source code](#)

- Used Requests and Beautiful Soup to retrieve and extract product details.

Weather Monitoring System

HTML, CSS, JavaScript, Google Weather API

[source code](#)

- Developed a responsive weather monitoring Website

Fund Watch

React 19, Vite, Tailwind CSS v4, React Router DOM, Recharts, Lucide React, Leaflet, OpenStreetMap, FastAPI

- Developed FundWatch, an explainable public-spending monitoring system using Z-score, IQR, and historical baseline analysis.
